NEWS AND HAPPENINGS FROM AROUND OUR SCHOOL

On January 13th, 2008 Abby Vande Hoef and Branden VantHul welcomed Caden John into the world in Sioux Falls, South Dakota. Caden is the oldest of his two siblings, Camden who is 15 and Maebre who is 11/2. Currently this semester, Caden is enrolled in art, U.S Geography, and phys. ed. Caden's favorite high school class during his time at H-LP was principles of technology with Mr. Sohn. Also while in high school, Caden's favorite lunch meal was crisпитos.

Caden was involved in basketball, football, golf and baseball throughout high school and credits those sports on making a big impact on him and he is going to miss them the most. His favorite high school memory was winning against MMCRU his sophomore year in baseball. His advice for under classmen is, "Get involved in the weight room early."

A quote that Caden liked and wanted to include in his spotlight was, "No," by Rosa Parks. After high school Caden plans on going straight into the workforce and when asked what he sees himself doing in the next 10 years he replied that he still plans on being in the workforce.

Staff  
Spotlight  
Mr. Bret Greve

by Morgan Reimers

Mr. Bret Greve is one of our 4th grade teachers here at H-LP! He grew up in Ellsworth, Iowa, located 20 miles north of Ames. He attended and graduated from South Hamilton High School in 1991. South Hamilton school district is made up of Ellsworth, Jewell, Randall, and Stanhope. Mr. Greve then attended and graduated from the University of Northern Iowa in Cedar Falls in December of 1996. He and his wife, Kathy, have two kids. Landon, who attends Northwestern in Orange City and Madelyn, who is going to the University of Iowa.

What inspires Mr. Greve to teach is building strong relationships with students, supporting them through challenges that come about, and maintaining a positive classroom environment. His favorite part about teaching is the satisfaction of witnessing a student finally grasp a difficult concept. Mr. Greve decided to teach 4th grade because that was the grade that came with the job when he interviewed for the position back in April of 1997. He commented, "It has been a good fit and I am grateful to have stayed at that grade level."

If Mr. Greve could have any job in the world instead of teaching, he would be a physical therapist. If he could live anywhere in the world, he would continue to live right here, in the great state of Iowa. One fun fact about Mr. Greve is that he was the State Pee Wee Golf Champion in 1980.

Thanks for all of your years of service, Mr. Greve!

## Senior Spotlight Rowan Jurgensen

by Grace Gomes

Meet Rowan Sue Jurgensen, a senior who was born on May 31st, 2007, in San Antonio, Texas. Rowan has been part of the H-LP community for a long time, attending preschool through 5th grade, and then coming back again for 9th through 12th grade.

During her time at H-LP, Rowan has been involved in choir, and she's made lots of memories along the way. This year, she's taking principles of tech, English, financial literacy, phys. ed. and digital media. What she's most excited about this year is getting the chance to work on painting murals for art, which is something she's really looking forward to.

When she's not at school, Rowan spends most of her time hanging out with friends or drawing. One of her favorite high school memories has been being able to push herself past her limits in art, and seeing how much she's improved over the years.

After high school, Rowan is still deciding between going to college or joining the Air Force. Someone she really looks up to is SkyLine, a TikTok she enjoys watching.

Rowan's favorite food is sticky rice, her favorite song is "Boing Beat" by Danny L Harle, and her favorite color is sea foam green. Her advice to underclassmen is, "Don't be a bully, instead be a friend."

We can't wait to see what Rowan does after graduation, and we wish her the best of luck in whatever she chooses!

## Question of the Week:

What would be your dream vacation spot?

by Maddy Orris

Adelynn K - Galapagos

Joe G - Costa Rica

Gage E - Argentina

Hattie H - Africa

Kennedy B - Hawaii

Taytum W - Florida

Brie V - Italy

Aubree W - Paris

Ella W - The Bahamas

Marra W - Greece

Lainey L - Egypt

Jenna L - Greece

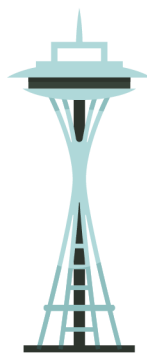

Natalie V - Ireland

Ree H - Greece

Lilly B - The Bahamas

Matilee A - Seattle

Zoe H - The Caribbean

## BUSINESS SPOTLIGHT LITTLE WOLVES DAYCARE

BY MARRA WEBER

Amber Snow, owner of Little Wolves Daycare, has lived in Lake Park for 9 years. She opened Little Wolves Daycare on Market Street in July, 2023. She is proud to have been able to create a safe, nurturing, and loving environment for children to grow physically, mentally, and socially. Amber states that she enjoys the small-town feeling and is active in many community events.

Amber says that starting a business is not for the weak, especially in a small town. "You have to know your target population and how you can reach them. Specifically for a daycare, you must have patience and understanding for how little ones grow and understand their world."

Her goal for Little Wolves is to build a center for children to feel safe, where parents can go to work easily, knowing their children are being well cared for. She hopes that in 5 years, her business will still be growing and thriving. We hope so too, Amber! Thanks for being part of Lake Park!

### Monday Apr. 20:

4:30 pm HS Coed Track @ North Union HS, Armstrong  
5:00 pm School Board Meeting

### Tuesday Apr. 21:

4:15 pm JH Coed Track @ Sibley HS; lv 3:05
